Every day SJHS students walk by this encouraging statement and are reminded why we were placed on earth. This quote focus' on the religion aspect of SJHS.

In our Media center we have Mac computers. This represents the type of technology we have at SJHS.

The red brick building is the place where most of our religion classes take place. A chapel is also placed in there for use by all. Weekly mass also takes place in there.

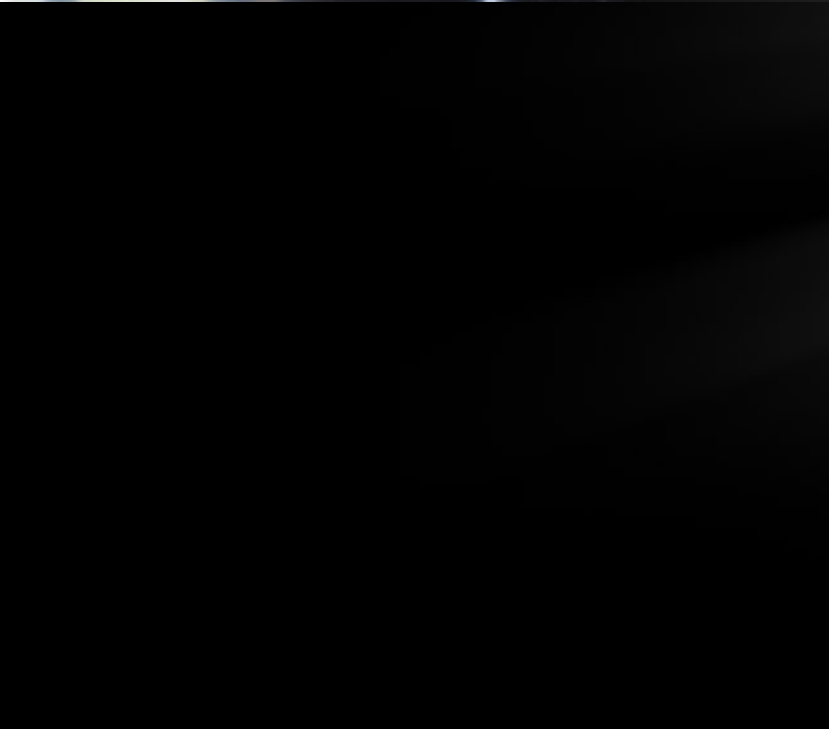

Our Media Center in SJHS may be small but is filled with many books.

Reading is a big part in St. Joe's education. Along with summer reading, in English we also read about four novels as a class.

This picture symbolizes the location of SJHS. We are located in downtown Hammonton. A perfect place for student to hang out around town after school with friends.

These pictures represent SJHS education. At SJHS we have labs, lecture rooms, computer labs, and traditional classrooms. Everyday student learn about every subject from English and Math to Theater Arts and Digital Photography

This is the main building of SJHS.

Here contains most of our classrooms and offices. It also contains our Media Center and Gym/Cafeteria.

This is the sign that has sat out front of SJHS for many years now. At the bottom of the sign it says *A Catholic Tradition of Excellence*. This saying embodies SJHS. The students of SJHS practice their Catholic Tradition everyday through different activities such as community service.
